1. POLICY STATEMENT

Black River-Matheson Chamber of Commerce is desirous of promoting economic development through an annual scholarship in the amount of \$ 250.00 to a deserving graduate for continued education.

2. OBJECTIVES

\$ 250.00 is awarded annually to a graduating student who is a resident of Black River-Matheson, has worked hard and achieved a measure of academic success.

The student must be pursuing college or university studies related to economic development i.e.: Business Management, Travel and Tourism, Environment and Resource Studies, Geography and Environmental Management, or Planning. The following factors are taken into consideration: student financial need, attitude, ability, grades and effort.

The scholarship can be awarded to a student from any Ontario Secondary School. Students must submit in writing a letter confirming they have met all the criteria along with a copy of their academic record to the Chamber. Upon reviewing all eligible candidates the Chamber chooses the final recipient.

This policy shall be submitted to all the secondary schools attended by students of Black River-Matheson.
